Outstanding features just for your space!

The Collection features traits that ease our lifestyle with user-friendly features through the Super Matt surfaces that improve the day-to-day routine. Each element is meticulously designed to offer convenience and enhance functionality.

Advanced Glaze Technique

The advanced glaze technique offers a breakthrough in aesthetics and durability, providing a superior surface.

Slip Resistance

Beyond safety, these surfaces also contribute to the durability and functionality of the space, as these are less likely to show signs of wear.

Resistance to Scratch

Boosted with exceptional scratch resistance to ensure that the surface remains pristine and unblemished even with frequent use.

Imported Granilla

This enhances the ambiance with its elegant, luxurious look while providing long-lasting performance.

Resistance to Abrasion

This feature is apt for areas with heavy footfall and ensures to improve the durability of your surface.

Resistance to Stain

This resistance not only helps maintain the aesthetic appeal of your surfaces but also extends their lifespan.

Zero Bacterial Risk

An advanced technology that helps to prevent the growth and spread of harmful bacteria.

Thermal Resistant

This refers to their ability to withstand temperature fluctuations without being affected by heat or cold.

Resistance to Fire

The fire-resistant feature contributes to a safer environment, providing added security and durability in everyday use.

Eco Friendly

Perfect for environmentally conscious homes and commercial spaces, these offer both style and sustainability.

Resistance to Frost

In order to safeguard your space against low temperatures, our surfaces are amassed with resistance to freezing.
